3 From The Comptroller's no 5218 E.A.D. & 20th April 25-

Request to be furnished with a consolidated list of Asst. Commissioners fixing the relative ranks of the several Civil Service officers for incorporation in the next issue of the Civil List and request orders allocating the supernumerary officers in the C.S. cadre to the several depts in which the Civil Service posts are not permanently filled up and also withdrawing the non-Civil Service officers who are in excess of the scale in the Survey & Excise Depts. viz.

A. Consolidated list of Asst. Comrs

On amalgamating the 'A' and 'B' Schedules of Asst. Commissioners into one list, the following principles may be adopted:-

1) Out of the officers appointed into 'A' and 'B' schedules on the same date, those in Schedule 'A' will be places above those in Schedule 'B'.

This is so at present also.

2) Officers appointed into 'B' Schedule on an earlier date will be shown above those appointed to 'A' schedule on a later date.

Yes.

3) The Provisionally Permanent Asst. Comrs who have since been confirmed as Asst. Comrs. and treated as supernumeraries in the Civil Service cadre will be allowed to retain the ranks above some of the

A list* in accordance with the above principles is put up. If the principles are approved, the list will be got verified by the Comptroller.

B. Allocation of Officers by Departments.

The Comptroller suggests that the Civil Service Officers & charges held by them will be shown in the Civil List separately without any reference to seniority and that the officers of the non-Civil Service cadre, both permanent & temporary will be arranged according to seniority in the respective departments

These officers may also be shown in order of seniority. There seems to be no objection to this being done. Yes.

Yes. 10/

This may also be by seniority.

There seems to be no objection to the above arrangements & it is for orders if they may be approved.

C. Allocation of supernumerary officers to the place in the non-Civil Service cadre

A list* showing the names of officers who have to be treated as supernumeraries is put up. It is for consideration if these have to be allocated to the several departments in the non-Civil Service cadre as suggested

by the Controller. The Controller wants this to be done with a view to work out the scale properly and regulate future appointments and confirmations in the non-Civil Service cadre. In this connection, it is to be noted that till all the existing working non-Civil are confirmed in the non-Civil service cadre, it may not be possible to make confirmations in the several departments according to vacancies released by the absorption of supernumerary officers in the Civil Service cadre. Besides, most of these supernumerary officers are in charge of Civil service posts.

It may not be necessary to make this allocation at present. It seems sufficient if the eleven officers are shown as supernumeraries.

M/ D. Withdrawal of non-Civil Service officers from Civil Service charges

Several cases have to be considered and orders obtained in regard to the debits concerned. As this will take some time, necessary confirmations may be issued without waiting for the allocation to be completed in consultation with the Finance Department.

on the Survey Department, one Mukherjee is in charge of a Civil Service post and in the Servic Dept., one Thomson is in charge of a Civil Service post. Of these two are transferred to Rev Dept and two Civilians are posted to the Survey & Finance Dept. The allocation will be according to the sanctioned scale. There are also some more variations between the sanctioned scale and existing scale as shown in Statement* put up below.

In the Rev. Dept, there are 19 civilians whereas the scale provides for 18, and

one of these officers has therefore to be considered as holding a non-Civil Service charge & he should be transferred to a Civil Service charge and a ~~non~~

On the Accounts Deptt, one of the non-Civil Service charges is held by a Civilian (Mr. Viraraj Urs) who is now on privilege leave and his place is temporarily filled by an acting Asst Comptroller promoted from the subordinate ranks.

On the Judicial Deptt, one of the Civil Service charges is temporarily filled by an acting Magistrate promoted from the subordinate ranks (Secretariat).

It is therefore ~~suggested~~ submitted that in case it is decided to allocate officers in the Civil Service and non-Civil Service cadre according to the sanctioned scale all the above cases will have to be considered together.

2. There is no objection to show in the half-yearly Civil List the names of the Civil Service Officers and the charges held by them in the several departments of Government in the order of seniority; but the suggestions made by this office was intended to minimise corrections in the Civil List in cases of transfers.

3. Both for the purpose of securing the object aimed at as outlined in paras 5 and 6 of Government Order No.757-807/C.B.210-23-1 dated 22nd September 1924 and to enable this office to watch the scale, and Government to regulate future appointments, it is necessary that, in counting the supernumerary officers against the number by which the non-Civil service cadre falls, short, these supernumerary officers should be suitably allocated and their number fixed with reference to each department.

I think principles (a) and (b) proposed to be followed in amalgamating the A and B Schedules are reasonable.

Principle (c) is also correct, taking pay as the sole test for determining the relative positions of officers in the list. According to this principle, officers confirmed earlier and hitherto shown above the Provisionally Permanent men would have to be shown below the latter. Whether this arrangement is justifiable on grounds other than pay, is a point which may be considered with reference to the particular officers whose positions will be disturbed The officers of both cadres may be shown in the order of their seniority in the Departmental lists also.

The allocation of supernumeraries to particular departments and the withdrawal from depts of the excess number of officers with reference to the two cadres may not be immediately practicable The only feasible arrangement seems to be to allow the present position in each department to continue and see that all changes made hereafter in it are in the direction of bringing the arrangement in each department into harmony with the intention of Government Order dated 22nd September 1924.

A The ranks of Assistant Commissioners fixed in G.O. dated 1st July 1925 have been adopted in the Civil List.

The Civil service & non-Civil service officers also have been shown separately according to seniority in the respective Depts. except in the Judicial Dept.

This may be allowed to remain as the question of seniority is taken up separately

Some of the Civil service charges which are not at present being held by Asst. Comrs are shown as vacant. This does not seem to be correct. As there are no Civilians available for being posted to such charges, these charges are held by non-civil service officers, permanent or acting) & the places are not vacant.

The places need not be shown as vacant. The appointments may be by ~~-~~

Revenue Secretary's note dated 26th January 1923:-

Mr.R.A.Narasimha Iyengar, who is doing duty as an Assistant Superintendent is an Assistant Commissioner of the last grade, - provisionally permanent. He and some others were made provisionally permanent on the 9th February 1920. He contends that Messrs.R.P. Malappa, R.Puttaraj Urs and C.M.H.Ranajodha Singh, Probationary Assistant Commissioners who were confirmed on 19th June 1922 should be placed below ~~the and~~ him and not above, as has been done in the Civil List, corrected up to 1st July 1922. There is some force in his representation.

Mr.C.Gopalachar, was appointed provisionally permanent on 16th January 1918. The Probationary Assistant Commissioners confirmed subsequent to that date such as Messrs.T.V.A. Esvaram, Mr.Chennaraj Urs and others were - placed below him. This precedent supports - Mr.R.A.Narasimha Iyengar's contention. He also requests that his appointment as Assistant Commissioner provisionally permanent may be given effect to from the date of the -- occurance of the vacancy in which he was - appointed, What this vacancy is, he has not stated and if his request is complied with he will supersede at least four of his seniors who were appointed Assistant Commissioners - provisionally permanent on the same date as himself, viz.,

14

Messrs.S.Reuben,

S.N.Sri Narasimha Sastry,

M.S.Ramachandra Rao, and

T.Hanumantha Rao.

It is not possible to comply with the request of Mr.R.A.Narasimha Iyengar.

Chief Secretary's note dated 8th February 1923.

The representation of Mr.R.A.Narasimha Iyengar and Mr.T.Hanumantha Rao who got Rs.250 provisionally permanent from 9th February 1920 to be placed above Messrs.R.P.Mallappa who have been confirmed on Rs.250 from 19th January 1922 does not appear to be feasible as permanent men of one class are usually shown above provisionally permanent men of the same class. But Messrs.Narasimha Iyengar and Hanumantha Rao as well as Messrs.M.S.Ramachandra Rao and some others will get their promotion to Rs.300 provisionally permanent with effect from 9th February 1923. Then they will automatically go above Messrs. Mallappa and others who will still remain in the Rs.250 class (This is what has been done in the case of Mr.Gopalachar).

(*b*) In the case of Assistant Commissioners and Munsiffs, the service for the purpose of increment will be calculated at two-thirds of the period of their service on 1st July 1922 from the date of their last increment and, in the case of Sub-Judges at half the period.

Rs. 1,850 for Sub-Judges.

It will be met from the provision of Rs. 15,000 in the current year's budget for 'Reorganization' under the head of "I. Land Revenue" in the case of Assistant Commissioners and from the savings in the current year's budget provision for the new Civil Courts in the case of Munsiffs and Sub-Judges.

4. The cases of the non-civilian Secretariat Officers and Assistant Comptrollers and of officers who have been acting for long periods as Assistant Commissioners are reserved for separate consideration.

Dear Sir

As desired in your D.O. letter No.58/C.B. dated 1st July 1925, I send herewith the final proof of the Half-yearly Civil List corrected upto 1st July 1925 for the approval of Government.

The following changes have been made in the present edition:-

1. Consequent on the appointment of Mr. M. A. Srinivasan as Financial Assistant to the Chief Electrical Engineer, the cadre of Civil Service Assistant Commissioners has been raised by one by a corresponding decrease in the number of super-numeraries.

Pl. these items be done without a C.O

2. The scale of Non-civil Service Assistant Comptrollers in the Account Department has been raised by two so as to include the appointments of Financial Assistant to the Inspector General of Education and Accounts Assistant to the Chief Commandant.

3.

3. The names of Messrs. G. S. Natesier and K. Subramanyam whose appointments as acting and temporary Assistant Comptrollers respectively have been recommended, have been inserted in the Civil List pending approval of my recommendation. (Vide letter No. ES.1581 dated 20th June 1925 addressed to the Financial Secretary to the Government of Mysore).

4. In the List of Title Holders in the State the changes in the order in page 153 have been made in accordance with the corrected list received with your letter No. G.9565/G.M. dated 16th June 1925. But this differs slightly from the corrected List received from the Huzur Secretary with his letter No.6 dated 30th June 1925 (herein enclosed for favor of reference and return).

5. Additional columns showing "Examinations passed" and "Date of promotion to present pay" have been opened wherever necessary. Approval of Government may kindly be obtained and communicated early.
